One can tell by the looks on these faces that "hanging on" for Friday night is worth it.

Bzzzzz . . . the alarm goes off on another Monday morning. As you lie there under the warm covers, listening to Jeff & Flash on WMMS lament the Browns' latest disaster on the playing field, you're already counting the hours until the weekend. But, eventually you concede that neither rain, nor snow, nor chemical spill will cancel school for the day and you tell yourself, "Hang on, baby, Friday's coming!"

Back in the mid-70's, there was a popular poster picturing a small, helpless kitten dangling from the branch of a tree. The caption reads, "Hang on, baby, Friday's coming". It seems we spend most of our lives marking time. We're always counting the days until Christmas break, our sixteenth birthday, summer vacation, our senior year, and always, always until Friday. In many ways, high school years are like the days of the week. Your freshman year, like Mondays, seems to last forever. But you keep plugging along and suddenly you realize that it's Friday, you're a senior, and life seems perfect. Finally, graduation comes and high school is over.

And then you wonder why you were always so anxious for it to end.

ADMINISTRATION

This year was a busy one for the Revere Administration and Board of Education. It began in the fall of 1981 with the opening of the new additions to the building. The annex was dedicated to the memory of Gordon Knapp, the late assistant principal and faculty member at Revere for thirty years, for "his caring, loving concern". The new science rooms, art rooms, and theatre have added a whole new look to old Revere High, and have created a refreshing learning atmosphere. A different plan was also instituted to crack down on student discipline. The "New Rules" included detentions for being tardy and in-school suspensions for more serious infractions. In addition, the Board underwent a change at the start of 1982 welcoming new and eager members. Overall, it was a very productive year for the Board and Administration dedicated to the improvement of education in the district.

Dr. Keiper served as the president of the Board of Education during the first semester of the school year. Although he had a demanding medical practice, he contributed a great deal of time and effort to the district.

Dr. Glenn Keiper

Superintendent J. David Klingensmith

Mr. Klingensmith was instrumental in the planning of the school's new additions. He was very pleased with the changes made in the building and enjoyed working in the modernized administration building.

Mrs. Joan Devendorf held the position of vice-president of the Board throughout the entire year. As a student herself at the law school of Akron University, she was close to the problems of the school and worked hard to correct them.

Mrs. Joan Devendorf

Dr. James Grow was a familiar face on the Revere Board of Education. Elected president in 1982, he engineered the "New Rules" program initiated in an attempt to improve the discipline problem at the high school.

Dr. James Grow

As Assistant Superintendent in charge of curriculum, Mr. Davidoff has been a part of the Revere School District since 1976. He decided what courses will be taught in the system, maintaining consistency throughout.

Mrs. Snyder completed her first semester as treasurer of the school system this year. She supervised any and all money that the district used from high school clubs and activities to salaried employees.

Mr. Allison was in charge of all bussing, cafeteria, maintenance, and classified personnel. He has worked for the Revere School System since 1974.

Administration

Revere High School could never have made it through the 1981-82 school year without the school's administration. Mr. Wilkens, principal, and assistant principals, Mr. Ost and Mr. Wolski, could always be found hurriedly rushing through the halls, signing a stack of papers, or calling a list of phone numbers in an effort to keep Revere running smoothly. And without their priceless secretaries, Mrs. Berka, Mrs. Earnshaw, and Mrs. Osterling, even Revere's superheroes would be at a loss. Thank you administration for a job well done.

Right: Mr. Wolski can't resist having a little fun.

One of Mr. Wilkens best known quotes: "Yes, sit down, we'll talk about it."

Mr. Ost spent the first semester with his desk in the attendance office, moving in January to the main office. Mr. Ost was essential to the athletic department and occasionally was spotted helping Mrs. Earnshaw when things got too hectic in the athletic office.

Mr. Wolski, who is married with two children, has been part of the Revere school system for 21 years, at the high school for the last six. When not working, he loves a good round of golf.

Mrs. Berka, the first face seen on entering the main office, serves as secretary to Mr. Wolski.

Mrs. Earnshaw, attendance secretary, is responsible for all students entering and exiting the building. Her familiar signature on the orange early dismissal pass is so lovely, seniors tried all year to copy it.

Mrs. Osterling, new to the high school this year, replaced Mrs. Davidson as secretary to Mr. Wilkens. Her many responsibilities include collecting and paying out the money as needed by all of Revere's activities.

Guidance

Help! That was a word those in the Counseling department heard daily. Once again they successfully coped with countless schedule changes, conflicting classes and student requests for everything under the sun. They were always prepared to give advice on college and personal problems or just to lend a sympathetic ear.

Mr. Kungle and Mrs Steffen were particularly helpful for the college-bound students. They were always busy with information, applications, and transcripts. Mrs. Boscia was in charge of advising the senior class in their banquet, prom and graduation. Mr. Fry guided the underclassmen through classroom driver's ed.

We always appreciated the help and good advice the counselors provided through our high school years.

Below: Once again Mr. Kungle is found helping a Revere student. Right: A rare moment caught on film: the library is quiet!

"I want to place in your hands flowers I have grown so to save you that long journey. But you must grow your own flowers. All I can say to you now is: "There are flowers. It is not a delusion." And to remind you, at times, of water and sunlight.

Mrs. Boscia

Mr. Fry enjoys helping others solve their problems. He received his Bachelors and Masters degrees from Bowling Green State University. His family is the most important thing in his life.

Mr. Fry

"I have taught mathematics and speech and was active in athletics, forensics, and student council. My hobbies include fishing, bowling, gardening, cooking, and good food."

Mr. Kungle

Librarians

Shhhh!!!! . . . The library was where the student body was supposed to go to work on homework or do any last minute cramming for a test.

It was kept in order by the two librarians, Mrs. Shepherd and Mrs. Hart-

man. They were always willing to find a book or magazine or check out materials for us. What would we have done without their help or knowledge of the Revere library.

"What do you mean '\$1.46 fine'?"

"I am not your typical typist nor even a secretive social secretary. My duties include much purposeful pen pushing and fearless file folder filling in addition to limitless listing (of names) and intrepid interpretation of scholars' schedules.

Mrs. Steffen

"Harmonious"
"Books belong to the eyes that see them."

Mrs. Hartman

"May we help you?"
"Quiet please"
"Did everyone sign the library list!!!!???"

Mrs. Shepherd

English

The sometimes witty and always unpredictable group that formed our English Department, led by Mr. Russell Lewis, certainly had their work cut out for them. Between their assigning essays and reading lengthy stories one wondered when they found time to make out vocabulary lists and to do grammar. But, of course, they did.

And now, this year, after many other painstaking years, these wizards of language and literature had touched our minds with the magic orb allowing us to open our minds to the wonders of writing. Yes, they touched our minds but who knows what's next.

Mr. Russell Lewis

Languages

The Languages department at Revere this year prospered with the increased number of students taking a foreign language. The teachers tried to stress the fundamentals this year to help their students prepare

for achievement tests and other exams. The teachers hope that all of their students will continue their foreign language studies in the years to come.

Music

The Music department this year benefited greatly from the new additions. Both choir and band students used the new practice rooms giving them all

that "professional" feeling. The department hopes that the new facilities will draw more students to the program in the future.

Below left: Leonard Bernstein move over!

Below right: The new art facilities helped to spur our budding artists' imaginations.

Art

The Art department had another highly successful year. The newly renovated rooms added needed organization to the department and widened the

scope of media available to the students. Revere, as usual, also made excellent showings at several area art shows.

Some you win and some you lose, and some will bring you sorrow. Believe everything that happens to you happens for the best. If you can't let yourself go, what are you saving yourself for! Don't hold back, reach out. Don't be afraid to reach out!

Mr. Charles Walker

Social Studies

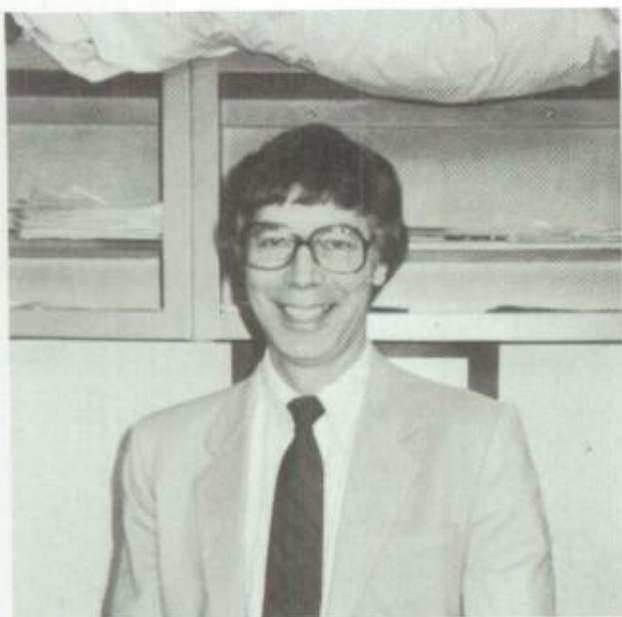

Led by Mr. Engler, department head, interesting and learning activities took place in the area of Social Studies. Once again students traveled to Washington D.C. on Close-Up enabling them to get a first-hand view of the government in action. Mr. Engler's World History class participated, as usual in The Meeting of the Minds which always proves to be both fun and interesting. The Seniors forgot their own names for a semester and answered to the names of Mr. Perkins, Mr. Seiberling, Mr. Goldwater, Mr. Udall, Mr. Kemp, Mrs. Fenwick, to name a few. While participating in Congress, a needed requirement to graduate, raised voices and debate could be heard as Seniors acted out their Congressman's role in debating bills in class. Mr. Weber, Mr. Dickson, Mr. Engler, Mr. Vavra, Mr. Scott and Mrs. Moran were always there to guide us through the areas of Social Studies.

Right: Mr. Scott's double identity—J.V. Basketball coach. **Far Right:** Mrs. Davidson's retirement party was a nice break for everyone.

During his 23 years at Revere, Mr. Dickson has compiled a diverse record of teaching history, math, and business, and directing plays and variety shows.

Mr. David Dickson

Mr. Engler taught World History, Congress, and AP European History, in addition to playing keyboard for his band, Shurfire, who played at the Winter Formal.

Mr. Ed Engler

Mrs. Moran taught World History and Congress. She was advisor to NHS, and cheerleading as well as Close-Up, which gave her an all-expense-paid trip to the capitol.

Mrs. Nancy Moran

Mr. Harold Scott

Mr. Vavra taught Psychology and American History in addition to coaching the Revere Football team. When he's not teaching, he enjoys going fishing.

Mr. Mike Vavra

Mr. Weber taught Freshman Social Studies, Congress, and A.P. American History. Known for his appearances on P.M. Magazine as a pewtersmith, he and his son are friends with Brown's Quarterback Brian Sipe.

Mr. Dave Weber

Science

Revere's Science Department was greatly improved this year by the new additions to the school building. The science rooms were all brought together and were well-equipped. The teachers were given a new office that was painted and floored in shades of orange and rust and was complete with the school's second Apple II computer. A few of the teachers were dissatisfied with their office's decorations though, and for a few months the science office became a beach resort, including sand and palm trees.

All joking aside, The Revere Science Department maintained its standard of excellence scholastically. AP courses were offered in Biology, Chemistry, and for the first time, Physics, with many students earning college credit. Thanks to a job well done by these men who have added so much to Revere.

Right: Mr. Gibson, in his element as Baseball coach, loves to pose for the camera.

Mr. Gibson, who taught Biology Major and AP Biology, was also the coach of the Varsity Baseball team. He was a father for the second time this spring.

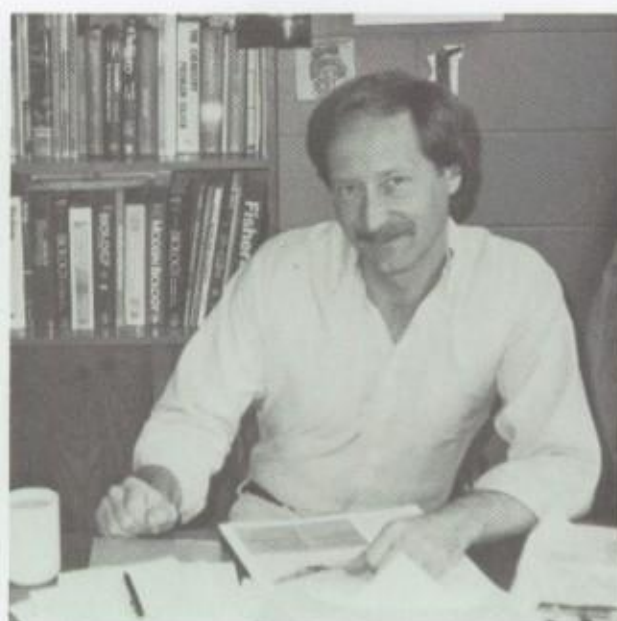

Mr. Liptak, the Preppy science teacher, taught chemistry. He was also the coach of the Track team. Over Christmas break, he was part of a crew that won a sailing regatta.

Mathematics

The mathematics department at Revere this year enjoyed a highly successful year. We were fortunate to have a new addition enter room 107, though not in the form of a teacher. This new dimension to the department was the Apple Computer System. This new system profited not only the students, but the staff as well. Students no longer dreaded computer projects and teachers found that sending out interim reports was a breeze if they utilized the Apple System. In addition, numerous students participated in several tests that were given through the math department during the course of the year. All students enrolled in Algebra II Major, Elementary Functions, and Calculus took the National Math Exam. Several students also participated in the Ohio Council of Teachers of Mathematics Test at the University of Akron. Finally, a few brave souls plunged into the A.P. Calculus Exam given at the end of the year. All students scored quite well. Obviously, Revere is fortunate to have such a fine group of math teachers on its staff.

Mr. Pamer, head of the mathematics department, taught his twenty-third year at Revere this year. He has always been known for his difficult tests. Nevertheless it was rumored that his Calculus class held a Christmas party in December.

Mr. Pamer

Mrs. Conger, known for her pleasant smile and enjoyment of a good joke, completed her fifteenth year at Revere in June. She taught Geometry and Algebra this year.

Mrs. Conger

Mr. Fuller, teacher of mathematics and business, also enjoys painting.

Business

The goal of the Business Department was to serve the needs of all of the students. Everyone needs to learn the keyboard in this computer age. Collegebound students need to know how to type well for both classwork and future occupations. Business students can use the skills learned in this department to support themselves both in school and after graduation.

The teachers in the Business Department felt that they had something for everyone. For the college-prep student, typing was a must. Shorthand and Accounting were desirable skills for them, also. Students in the general course benefitted from typing, shorthand, office practice, accounting, introduction to business, and business math.

Vocational students needed to obtain good backgrounds in business; then, as seniors, they can take one of the work-study programs. The Cooperative Office Education students took all of their high school classes in the morning and worked in business offices in the afternoon. Distributive Education students worked in merchandising and sales jobs in the afternoon or evening.

This was a year of new experiences for me! I taught a new course—Accounting I; I moved to full time in October; and best of all, was very happily married on November 21.

Mrs. Kimberly Arnold

Moving into bigger and better Business-Department quarters this past year was both exciting and challenging. We're still unpacking! I'm looking forward to a summer of travel—hopefully a "Roots" trip to Europe.

Mrs. Elsie Consilio

After fifteen years in Distributive Education at Revere, I am optimistic about the future. Today, jobs are waiting for trained students.

Mr. Gary Deyling

Left: The new COE room gives the future secretaries a realistic, well-equipped office in which to learn.

Mr. William Mulrooney

"A friend in need is a friend indeed."

I am vocationally oriented in that I believe students should have goals for their future occupation. They should control their vocational futures, not let the "winds of fate determine them."

Mrs. Marie Ditterbrand

Starting to teach accounting in October caused an abrupt change of plans, resulting in less time for tennis and volunteer activities. The assets of teaching have been working with the great staff, getting to know the students (even 5th period), and having the summer off.

Mrs. Jackie Grinstead

Industrial Arts

Another vital department to Revere is the Industrial Arts Department. Teaching students everything from designing houses to building furniture, Mr. Sabol, Mr. Myers, and Mr. Harper have helped many Revere students in making things for family and friends, and making decisions for careers.

Mr. Sabol

Home Ec

Though small, Revere's Home Economics department is a source of fun for many Revere students. Offering courses from Home Economics to Marriage, Mrs. Behanna and Mrs. Scott aided students in the creation of everything from pizza to stuffed Christmas trees. Revere would not be complete without the effort of these two women.

Mrs. Behanna

"Just call me Julia Child?!"

Mrs. Scott

Teacher of marriage and home ec., Mrs. Scott enjoys when not working, cooking, sewing, traveling, and being with her family.

Physical Education

One of Revere students' favorite requirements is the year and a half of gym they must take, coupled with a semester of Health. Without the motivation provided by the Phys Ed teachers, those exciting forty-degree mornings outside or the spell-binding moments in the Field House's weight room would never have been the same. In Health, sophomores learned everything from CPR to VD, making them more useful citizens for the future.

A New Class

The Class of '85 made its entrance into the bustling world of high school quietly. But after Homecoming, when their float took first prize, no one dared snicker outloud at seeing the "eighty-five" on jacket sleeves. Revere had a freshman class of which it could be proud.

The Freshmen were probably the only people who were not confused by the new building additions. After all, they got a tour on orientation day that no one else was privileged to. And on the first day of school, they probably helped a few sophomores figure out what they'd done with the locker rooms.

As usual, the class of '85 was subject to the normal abuse of the upperclassmen, but they took it well in stride, dreaming of the day when kids with "88" on their jackets got to high school. Gretchen Fischer, Chris Brown, and Ed Matusik received leadership awards in April, named by teachers as outstanding leaders of the freshman class. All in all, the class of '85 had a good year, showing great potential for the future.

Right: These have to be Freshmen—who else would smile on the cafeteria line.

Activities

Sophomores

ABOVE: Front: Shawn Leyden, Chris Clark, Brian Mynhier Back: Chris Becker, Brad Bowers, Chip Seifert, Dan Siko

Computer Aides

WANTED: High school students to work as Computer aides.

Qualifications: Must be able to understand the "logic" of the computer; speak in several languages, including EDU25R; have patience to work with non-computer-oriented people who need "help" with their programs; not panic when you think you've broken it; type, using the one-finger, seek-and-ye-shall-find method; enjoy playing games on a typewriter; and not feel inadequate when Mr. Pamer says the problem you couldn't figure out for two days was "trivial".

Front: Mike Monegan, John Butzberger, David Metcalf, Dave Howard Middle: Shawn Leyden, Morris Ross, Chris Buchwald, Bob Shambora, Alan Wikzynski, Gretchen Hedin Back: Brian Bunin, John Mallo, Brandy Carr, Marc Engdahl, Ed Miller, Sean Fremon.

Aides

Audio/Visual Aides

WANTED: High school students to work as Audio/Visual Aides.

Qualifications: Must be able to roll machines through crowded halls with the least amount of damage to the machines, though not necessarily to the students; have an uncanny mechanical understanding to fix anything, anytime, anywhere; work well with teachers who "know" they asked for the machine 7th period, room 21, not 5th period, room 135; and get anywhere in the school using only ramps, never stairs.

In the beginning of September, the staff of Revere looked at the task they had to do over the next nine months and decided they'd need some help. They decided the best way to get that help was to advertise, and the response was enormous. On these four pages are the ads they placed and pictures of the victims who fell prey to their little scheme.

Gym Aides

WANTED: High school students to work as Gym Aides.

Qualifications: Must be able to work well with freshmen, have some physical co-ordination, enjoy going outside in 40 degree weather, yell loudly at students not exercising with enthusiasm, work well with gym teachers who may expect you to join in the "fun", keep a straight face when someone "just can't do it"; and handle the embarrassment when, in a demonstration in front of the whole class, you "just can't do it", either.

Front Row: Esther Eckart, Karen Jones, Diane Fouse, Lauri Levin, Marilyn Slaby, Ellen West, Terri Hieber **Second Row:** Jeff Morgan, Bob Gamber, Jim Heiser, Glenn Bogdanski, Brandy Carr, John Mallo, Jim Kennedy, Brad Bowers, Jim Kacic **Back Row:** Ken Griebeler, Jon Louthan, Mike Mickey, Ken Weeks, Steve Saluppo, Scott Halliwill, Tim Mattei, Dave Smith, Mike Stewart, Matt Carr

Library Aides

WANTED: High school students to work as Library Aides.

Qualifications: Must be able to work in deafening silence for 40 straight minutes, carry approximately one ton of books without effort, stamp books so that the date comes out in the right little box right side up, enjoy reading, and know the alphabet forwards, backwards, and sideways without having to recite it out loud from the beginning.

Front: Sean Duffy, Holly Peyton, Mike Wasielewski **Back:** Tim McCabe, Jane Eriksen, Mary Smilan, Tom Tallant

Teacher Aides

WANTED: High school students to work as Teacher Aides.

Qualifications: Must be able to work well with adults, read illegible handwriting, use red pens when grading tests, handle spur-of-the-moment assignments with the utmost of ease and grace, laugh at stupid jokes, enjoy being ordered around by four people at the same time, have at least one free period, and display that certain creativity that allows you to do the most amount of work in the least amount of time with the greatest amount of fun.

LEFT: Front Row: B. Schindler, D. Alessio, K. Grawemeyer, K. Newman, L. Saro, K. Sieftring, T. Hieber **Second Row:** J. Meador, A. Ost, M. Slaby, J. Petroff, E. Pierce, L. Jerome, T. Maloy, J. Butzberger, J. Leffler, D. Young **Third Row:** L. Weingart, A. Royka, C. Newman, M. Marts, L. Schweter, C. Bigelow, S. Eifert, E. Jesser, T. Parker, M. Bauer, C. Bogdanski **Back Row:** L. Warburton, A. Allan, D. Grinter, S. Suggett, M. Amerio, S. West, J. Mallo, S. Halliwill, M. Stewart, B. Carr

Office Aides

WANTED: High school students to work as Office Aides

Qualifications: Must be able to work well with, though not necessarily understand, school policies; run around the halls quickly to fetch people or deliver messages; handle the thorough embarrassment of comments made when you walk into a room to perform the task listed before this one; not be afraid that the little time-stamping machine for passes will bite off your finger, and handle unreasonable expectations with a minimum of appreciation.

Front Row: Julia Conrad, Carla Thorn, Lauren Kehr, Ann Griffith, Marianne Mertie, Mandy Barker, Reba Christman, Mike Kermizis, Marilyn Slaby **Second Row:** Susan Lucas, Becky Schindler, Lisa Schweter, Joanne Leffler, Diane Struglinski, Mary Glova, Kim Garger, Mary Jane Mioduszeski, Liz Glova **Back Row:** Kathy Sieftring, Rob Bartelstone, Peter Hanlon, Peggy Horn, Marc Engdahl, Linda Clark, Anne DuCharme, Heather King, Sean Duffy

A.F.S.

Revere's A.F.S. club had a busy and successful year. Three students from foreign countries came here in August and attended Revere. In October, area A.F.S. students spent a weekend with Revere families. In December, the Winter Formal was organized and sponsored by our A.F.S. Club. Because of creative minds and hard work, Revere's gym became a winter wonderland for one night. In July, our three exchange students, Enrique, Christina, and Mirtha, returned to their homes with memories of life in an American high school.

Above, Front Row: D. Kowalski, P. Keating, B. Clement, E. Hernandez, M. Strugo, C. Straat, K. Hofer, A. Allan, K. Tettelbach, Second Row: V. Pringle, J. Gowin, A. Cox, S. Eifert, S. Lucas, D. Newman. Below: At one AFS party, everyone dressed like their favorite American.

Enrique, Christina, & Mirtha

Revere was privileged to have three exchange students this year. Each of them brought unique talents and abilities to Revere. Enrique Hernandez, from Mexico, was a starting member on the Varsity Soccer Team. Christina Straat, from Sweden, who had a role in the fall play "The Man Who Came To Dinner", playing the maid, was also on the Girls' Track Team. Mirtha Strugo, from Argentina, enjoyed painting with watercolors. We thank these three individuals who came to the Bath-Richfield area for less than a year, and yet added what they could to Revere High School.

These are letters to the entire student body and staff at Revere from each one of them.

Dear Minutemen!

Hi, First I would like to thank all the staff from Revere like teachers, principal, secretaries, students and all the people who had a lot of patient on me throughout the year, since the beginning until it was over.

I have to tell that my year in an American High School was really a new and different experience in my whole life and I will never forget it.

And I would like to thank also, the Revere's soccer team because through all these people I knew lots of more people, and all those guys helped me in many ways and I also think that I spent most of my year with them all playing soccer and fooling around, since last summer until the spring and I believe we did a great job, don't you guys think so?

Well it's too bad I don't have enough paper to tell you many different experiences that happened to me with all you people from Revere but, don't worry because I'll keep you inside of my heart and I hope you don't forget me, and just for this please write me.

VIVA REVERE!

The letters from Enrique (above), Christina (left), and Mirtha (below).

Kdra Reverare!

I'm so happy for that I got to be an AFS-student and experience living in a different country.

This year has gone so fast, too fast. Through Revere I have got to know the American High School and lots of great people.

I was very fortunate to be in the Thespians Fall Play - I'll never forget it and all my friends there. We had a lot of fun!

I enjoyed running with all the nice people in Girls Track Team and I'm impressed with the American spirit towards school sports.

A big hug and lots of love to my friends at Revere, both students and staff.

Thanks for including me in your activities, helping me and for your friendship.

I'll never forget my year at Revere!!

Lots of Love

Hola!

It's kind of hard to write in a piece of paper everything that I want to say.

My AFS year was filled with experiences in which I learned a lot about you and my self.

I want to say thanks to all of you for to give me the

opportunity to know you; for including me in your activities and letting me being your friend.

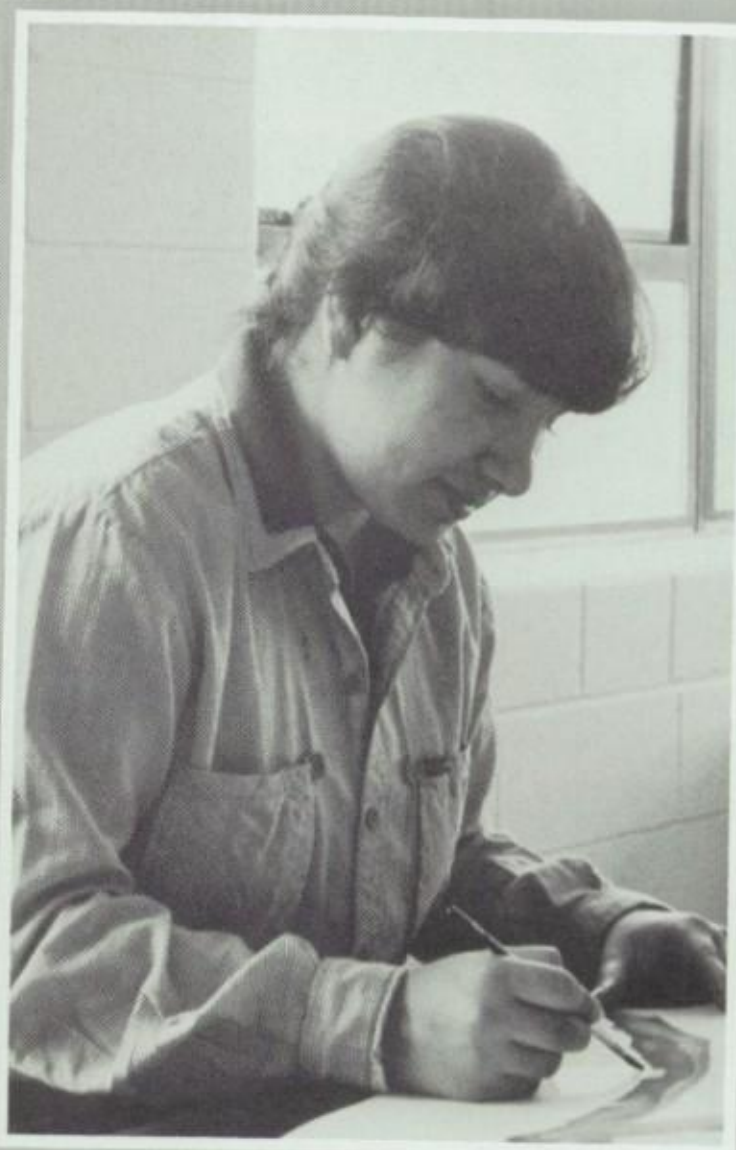

I'll always remember you.

Love ya!

Marching Band

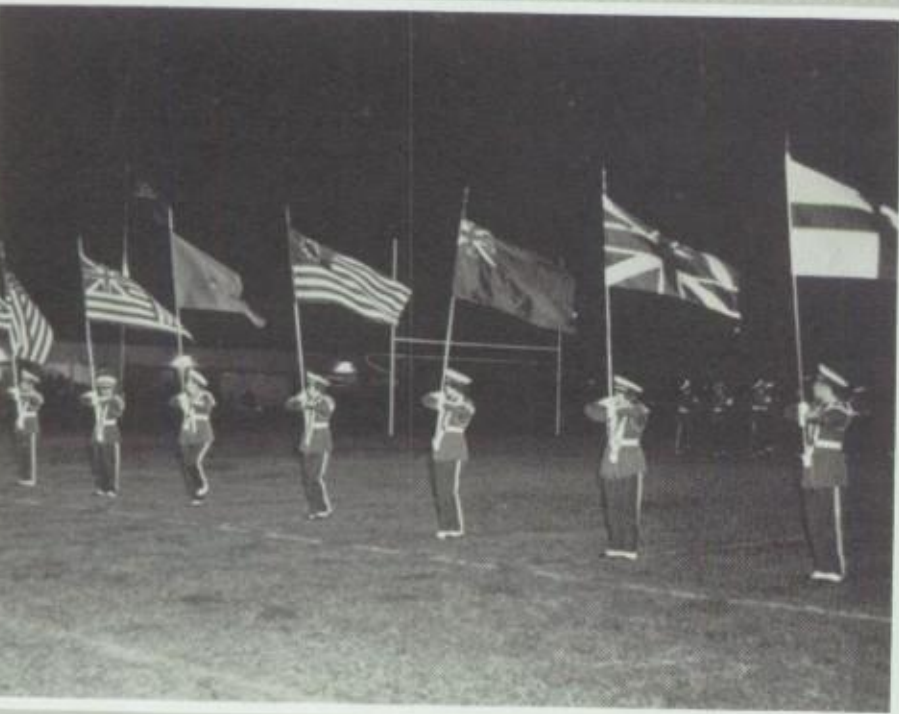

The 1981-82 Revere Marching Band, 115 strong, had a busy and successful season. Not only did it participate in band shows at Cuyahoga Falls, Dover, and Massillon High Schools, but it had its own Band Festival in October that involved over 1500 people. The band also returned for the fifth time to play at the World Series of Golf. In May, the entire band travelled to Winchester, Virginia, near Washington, D.C., to march in the Shenandoah Valley Apple Blossom Parade. The Marching Minutemen had a fine year of which Revere can be proud.

Concert Band

Concert Band

Auditions for the concert season resulted in 50 members in the Symphonic Wind Ensemble and 64 members in the Concert Band. The bands worked hard to perform their three annual concerts, Winter, Contest, and Spring. In addition to their concerts, the Wind Ensemble played for the opening ceremonies of the new auditorium. In

addition to their 3 concerts, the Wind Ensemble participated in District 6 Contest and received an "Excellent" rating. Some members of both groups participated in the OMEA Solo and Ensemble Contest at Akron U. Revere was proud of its ten "I" ratings. The people involved in this program worked hard all year long to keep improving the fine quality of the Instrumental Music Program.

Wind Ensemble

Jazz Band

Revere's Jazz Ensemble performed at a variety of events, as usual. They played at the Winter Band concert along with the two concert bands, as well as at various community functions.

The highlight of their year was the Third Annual "Evening of Jazz" at Eastview. The group worked hard, along with the Revere Singers, to present an evening of outstanding entertainment. With a lasagna dinner before the program, the evening was complete. The program was a great success enjoyed by all who attended.

Chorus

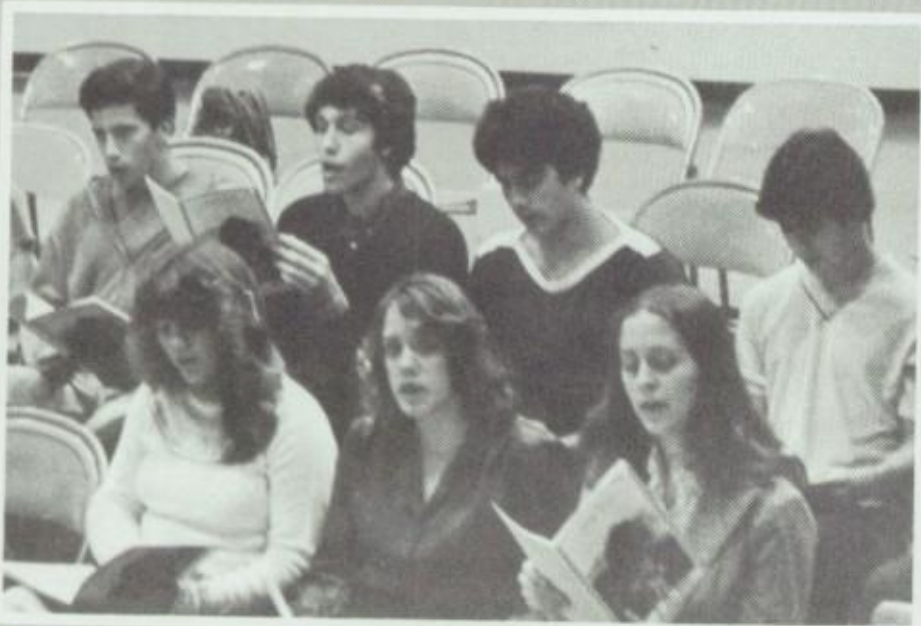

The Revere Chorus had another highly successful year. The building's new renovations included a completely remodeled music department which helped the talented group in many different aspects. The chorus had its own practice room separated from the band allowing them more freedom. The chorus performed at several assemblies throughout the year in addition to giving a number of very entertaining concerts, alone and with the Jazz Band. The Revere Singers also graced Revere's stage several times during the year singing and dancing their way into the audience's heart.

N.F.L.

Some people wonder why the NFL team was willing to get up so early on Saturday mornings and to spend all day at tournaments. Each team member was involved for different reasons: Some enjoyed the thrill and glory of competition, others had a great time and made many friends, and still others recognized the benefits to their speaking. For all, NFL was a very worthwhile experience that included being involved with a group of wonderful people.

This year, NFL, which was coached by Mrs. Lorraine Merrill, had 11 State Qualifiers. In Dramatic Interpretation-Amy Rogers and Mandy Barker; Humorous Interpretation-Beth Merrill and Mike Dunasky; Duet Acting-the pairs of Chris Becker & Bill Lester and Chad Kayuha & Ed Matusik; Prose/Poetry-Becky Clement; Boys Extemp-Rob Bartelstone; and Original Oratory-John Butzberger. At State, Mike qualified for Quarter-finals, and Becky and Beth went all the way to become State Champions in their respective categories. It was a great honor for Revere to have two State Champs and to send Beth to Nationals.

Thespians

"Wow, this stage is huge!" "There's so much space-it's great!" "Dressing rooms-with mirrors!" Such were the reactions of the Thespians upon seeing the New Revere Theater, which was opened this fall with **The Man Who Came To Dinner**. The Thespians also presented the Variety Show and the Spring Musical-**Once Upon a Mattress**. Membership in Thespians, which was advised by Mrs. Kate Frazier, is an honor that must be earned through participation in all areas of Thespian productions. New members are inducted each Spring.

Cheerleading

The Cheerleaders had another very successful season this year. All three squads tried their hardest to psych both the athletes and the crowd before and during all the games. Every Friday morning during the football season, the cheerleaders delivered "good luck trinkets" to all of the players to let them know that everyone was behind them. During the basketball season, they could be found in homeroom twice a week with psych sheets and goodies. Frequent pep assemblies throughout the year also helped to give everyone tons of spirit in our school!

Art Club

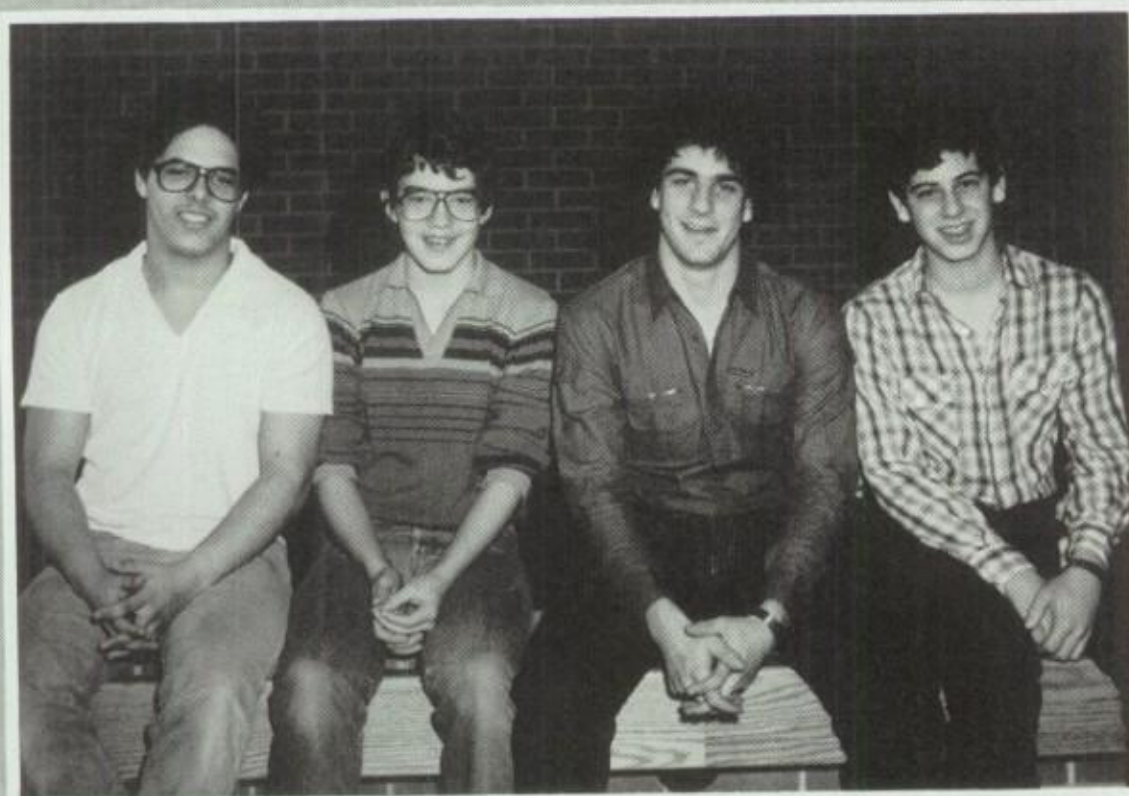

The purpose of Art Club is to bring together people who have an interest in art and give them the opportunity to work in a variety of medias. This year's Art Club certainly fulfilled this goal with a number of services projects. They made, for instance, the Christmas tree ornaments at the AFS formals, and they batiked some wrapping paper. In addition to helping others, they enriched themselves with field trips to the Akron Art Museum and Hudson's Ellsworth Smith and Mark Moon galleries.

First Row: Holly Peyton, Sue Fatkins, Cindy Bonsky. Second Row: Leanne Saro, Gladys Lund, Vicki Peterson, Beth Needham. Third Row: Kelly Moore (VP), Lisa Duddey, Anita Gloeckler (pres.), Kurt Kreinheder.

Dungeons & Dragons

Ted Konstantinopoulous, Peter Hanlon (VP), Aaron Nusbaum, Brian Bunin (pres.).

Though small in number, Revere's Dungeons and Dragons club was big in enthusiasm. The group met regularly to play this new and intriguing game filled with warlords, monsters, and magic swords. The club certainly enjoyed themselves, and it looks like Revere's newest club will be here for many years.

Drill Team

Below: The captains strut their stuff. **Bottom, Front Row:** Sharon Tscherne, Tracey Snyder, Joanna Workowski (co-captain), Toni Lanci (co-captain), Dawn Ziltz, Karen Tettlbach. **Back Row:** Ellen West, Denise Skotko, Lauren Wisz, Gloria Colonna, Colleen Bogdanski (captain), Jocelyn Worral, Shelley Suggett.

The basketball season took on a whole new dimension this year thanks to a group of talented girls. The thirteen-member drill team provided the entertainment at the half-times of all the home games. With the help of their advisor, Mrs. Workowski, they performed routines to songs such as "Celebration", "Rock Around the Clock", and "Start Me Up". They also did a special routine dedicated to the Class of '82 to "Working in a Coalmine". With a large number of underclassmen, the team will hopefully continue to add some excitement to the half-time humdrums for years to come.

Pep Club

P is for the pep in every member.

e is for the excitement at the assemblies.

P is for the pride we have for Revere.

C is for the countless hours Megan Galloway, president, devoted for its projects.

I is for the loads of supplies used at each meeting.

U is for us few who did all the work.

b is for the balloons, buttons, and bells sold at the games.

A typical Pep Assembly practice: Pranks on players.

Ski Club

Standing in line forever for a chance at a 30 second run down one of Boston Mills hills is the way the students of Revere's ski club spent their Saturday nights. Gloves, heavy jackets, three pairs of long underwear, and many other things were used to help guard against the cold and make the elements more bearable. Even when the cold got too much, skiers could always go into the lodge and have pizza or hot chocolate with friends by the fire. Then it was back to the slopes for some more of that great winter skiing.

N.H.S.

For those college-oriented students, belonging to National Honor Society is a great honor. Requirements of NHS are having at least a 3.5 grade point average for freshman, sophomore and junior years and several extra curricular activities. This year, two members, Steve Magoline and Diane Struglinski, were chosen to compete for a national NHS scholarship. Under the leadership of Ms. Moran and the officers, it was a fun and rewarding year.

These five members of NHS were commended for their performances on the PSAT/NMSQT. From left: Lyn Kenady, Joanne Butzberger, Carolyn Ovaite, Catharine Wilson, and Ken Murray.

Student Council

Student Council, led by President Scott Gore, held many new and original projects this year. An-after-the-game-dance celebrated Revere's first win in football and the start of the school year. Spirit Week and Homecoming festivities filled the school with spirit never seen before. The Homecoming Dance was very successful with its record-breaking turnout. As usual, Revere gave plenty of its blood to help patients in need through the annual Bloodmobile. Other successful projects included a Euchre Tournament, Domestic Exchange, school exchanges with Medina and Highland High Schools, Battle of the Bands contest and, finally, a Jonah Koslen concert.

Below: Members of Student Council: First Row: J. Vogel, C. Bogdansk, K. Newman, (Treas.), K. Gaffney (V. P.), S. Gore, (Pres.), A. Cox, (Sec'y), C. Bigelow, (Sec'y), M. Strugo, K. Close-Up

Although one of the smaller Close-Up groups in the past years, the students had a very successful trip. Traveling with a large group from other Akron area schools, Revere students spent a week in the capitol with a Close-Up group from Northern California. The students attended many lectures and seminars on different aspects of the political machine and they enjoyed seeing the sights of Virginia and Washington, D.C. The trip gave everyone many new friends in addition to new insight into our government.

The Close-Up participants were: (front) Diane Struglinski, Carolyn Ovaatt, Tamie Wright, Catharine Wilson, Patty Keating, Lisa Warburton (back) Tom Staubus, Aaron Nusbaum, Shawn Bolender, Ed Miller

Work/Study

Revere continued its participation in the Cuyahoga Valley Joint Vocational school in 1981 and 1982, with about eighty-five juniors and seniors attending the school. One of the most popular fields was cosmetology, with auto mechanics and commercial art close behind. Other vocations included truck mechanics, dental assisting, commercial foods, and legal secretary. The students earned 3 credits toward graduation each year they participated in the program.

Lantern

Revere's newspaper, the **Lantern**, underwent major improvements this year. They began using new type and doubled the size of each page. The paper, which cost fifteen cents, came out at least once a month, producing fourteen issues throughout the year. Elizabeth Parry served as editor of the paper with the assistance of Karen Perko and Tracey Smith. In the spring, these three and Colleen Bogdanski, Anthony Carpinelli, Gina Gloeckler, Karyn Jackson, Tami Maloy, Andrea Royka, and Joanna Workowski received Quill & Scroll awards.

Reverie

Top: Carolyn and Catharine explain the intricacies of doing a double-page spread. **Above:** "Not another payout request!!!" says Lisa. **Right:** Megan and Torie discover the truth: the cropper is not your friend.

To publish or not to publish; that is the question:
Whether 'tis nobler in the mind to suffer
The slings and arrows of 216 pages,
Or to take arms against a drawer of pictures,
And by cropping, flipping, and reducing, use them. To
miss a deadline, to die—
No more and by that miss to say we quit
The Book, and the thousand natural shocks
That editors are heir to. 'Tis an occurrence
Devoutly to be wished. To write, to edit—
To edit-perchance to err: ay, there's the rub,
For in that editing of copy what errors may come
When we have typed up those 1047 characters
Must give us pause. There's the respect
That makes calamity of so many pages:
For who would bear the whips and scorns of students,
The teachers' wrongs, the photographers contumely,
The pangs of uncropped pictures, the mail's delay,
The insolence of staff, and the irritation
That patient waiting for the advertiser is,
When the editors themselves might their lives improve
With one large payout request? Who would these
deadlines bear,
To grunt and sweat under unreasonable requests,
But that the dread of something in September,
The month when books are delivered, an event which
is
Demanded by all, frightens the will,
And makes us rather do those pages we have,
Than fly to Hawaii for a life in the sun?
Thus the staff and students do make cowards of us
all
And the natural hue of each page, printed o'er with
the square blocks of pictures,
And layouts of great proportion and appearance
May often, because of problems, turn awry,
And lose the name of organization: Soft you now,
The fair Mrs. Frazier!-Advisor, in thy proofreading
Be all our errors corrected.

Up, Up, And Away!

The Class of '84 made their smashing debut last year but as sophomores, they really began to shine. The start of their journey through high school was exemplified by their 1981 Homecoming float. As freshmen, they boarded the "Revere Balloon". They had a shaky start, of course, but eventually things began to fall into place and the huge building and frighteningly old upperclassmen no longer scared them. By the beginning of their sophomore year, they had made a highly successful take-off. With being a sophomore came many new exciting advantages. Many began to drive and to work, and everyone enjoyed the responsibilities and rewards that accompanied these steps into the adult world. They began to work well together as a class, while developing many diverse interests as individuals as well. Through the year, their "rowdie" balloon climbed higher and higher picking up not only speed, but dependability and accuracy, also. The end of the year found them not at a termination point, but instead, right in the middle of their trip with high hopes for a smooth journey to "Seniordom"!

Pride, Poise & Performance . . .

Pride, poise, and performance were the first three words in Pappano's playbook. The Revere Minutemen showed these fine qualities and many more as they clinched another Suburban League title for the second year in a row. The team concluded the season with a record of 7 wins and 3 losses. The offense gained a total of 183 points and the defense, proving to be the best in Revere's history, only yielded 53 points. Revere's team was rated seventh in the Beacon Journal poll among such top teams as Massillon and McKinley. Our thanks to Coach Joe Pappano, his assistants, and the players for providing the fans with another exciting season!!

... Pay Off!!!

Along with the success of the team, there were many personal awards given this year. Seniors Penkal and Klimo were awarded with honorable mentions on the All-Suburban team, while seniors Jesser and Reed were named to the second team. Revere dominated the All-Suburban First team roster with juniors Gabel and Sir-Louis and seniors Magoline, Hammond, Wracher, Brown, Kovak, Adolph, and Rob Millisor. Wracher and Kovak also made the second team All-Summit County, along with Magoline, Brown, Adolph, and SirLouis who made the first team. Kovak, Wracher and SirLouis held places on the third team All-District, Adolph and Brown made the second team, and Magoline was selected for the first team. Revere was also honored with three seniors on the All-Ohio roster. With Honorable Mentions were Wracher and Kovak and Magoline held a place on the Second team. Congratulations!

'81-The Best Yet!

In only the fourth year, Revere's Soccer Team compiled a successful winning record of 14-2-1, and was the first team in their history to go to Sectional Finals. This year's team was led by captains Scott LeVoyer and Shawn Bolender (named outstanding defense player and most valuable player). Brian Brady was the outstanding player and Chris Zadel was named the most improved player. Seniors Brady, Bolender and LeVoyer were selected as members of the East-West All Star Team. First team all-county awards went to Brady and Bolender. Mike Stoffer re-

ceived a second team all county award. Scott LeVoyer and Phil Black received honorable mention. Other outstanding seniors were Paul Troike, Tim Tolliver, Scott Bennett, Enrique Hernandez, Ken Murray, Dave McPeck, Scott Norris, and Dave Lipinski.

In sectional play, Revere beat Nordonia (5-0) and Hudson (1-0). In Sectional State Championship, Revere lost to Brecksville (2-0) who went on to win state AAA championship and tie for first place in state division II.

Three In A Row

The 1981 volleyball team, coached by Roy Bohlin, had a fairly successful year. With an overall record of 15-9, they proved they were able to withstand a grueling schedule. The team was rewarded for their hard work when they clinched their third straight Sectional Championship. Individual honors went to seniors Carole Landis and Anne DuCharme, who were named to the First Team All-Suburban. Seniors Laura Mattei and Jane Helderman were voted to the second team while juniors Chris Stine and Traci Mockbee received Honorable Mentions. Coach Bohlin claimed that the team played with great skill and intensity. "They were as good as any team in the league." The girl's pride and determination placed them third in the Suburban League standings. We commend the team and wish next year's team much luck and success.

Girls Tennis Wins Again

The Girl's Tennis Team completed another successful season under the new leadership of Coach Walt Maynor as they finished their season with a record of 11-4.

The team was led by Captain Catharine Wilson who received the only fourth year award and was selected most valuable player. Third year awards were given to Noelle Springer and Karyn Jackson. Receiving second year awards were Liz Parry and Lisa Duddey. Linda Clark, Lisa Warburton, Amy Griffith, Jenny Curtis, Chris Flowers, Lisa Hoffman, and Marie Milano all received first year awards.

The girls had a fine season and are looking to have a very competitive and talented team next year.

Cross Country Goes Co-Ed

Revere's Cross Country Team acquired an addition this season. A Girls' squad competed separately from the Boys' team, allowing more people to participate in the sport. The boys had a record of five wins and ten losses. They remained in sixth place in the Suburban League. Bob Lehr received a trophy for a course school record of 13:20 and placed eighth in the Suburban League. John Treu-feldt, a third year member, placed sixteenth in the league.

The girls had a record of three wins and two losses. Mary Jane Mioduszeski, a sophomore, placed fifth in the league and set a sophomore school record of 16:04. Chris Mioduszeski placed eleventh in the league and received a trophy for a senior school record of 10:20.

Both Cross Country teams did well during their seasons. We are proud of them, and we hope that they go on to a spectacular season next year.

Revere Linksters Up To Par

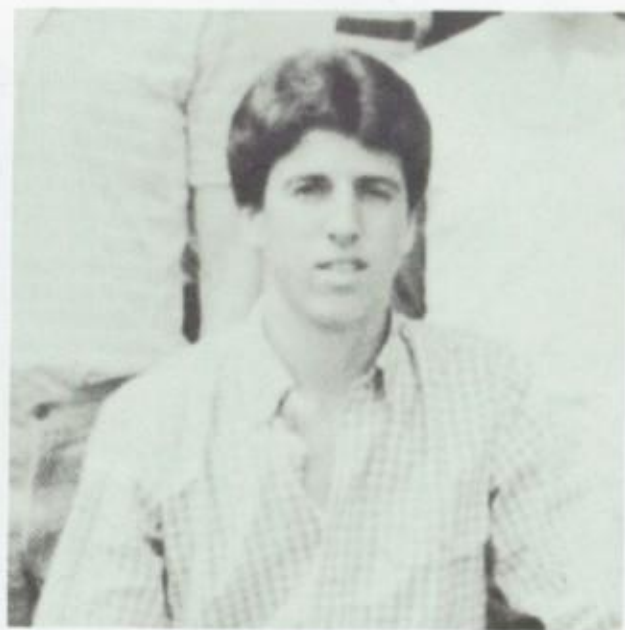

The 1981 Golf Team had a fairly successful season this year. Although their 6-8 overall record did not show it, the team did well, working together as a team and gaining the experience that only comes from hard work. This year, the team

carried a larger squad than ever before. At the end of the season, Scott Gore received the Coach's Award, Steve Cushing received the Tournament Award, and Scott Martz was the Medalist.

Minutemen Surprise All

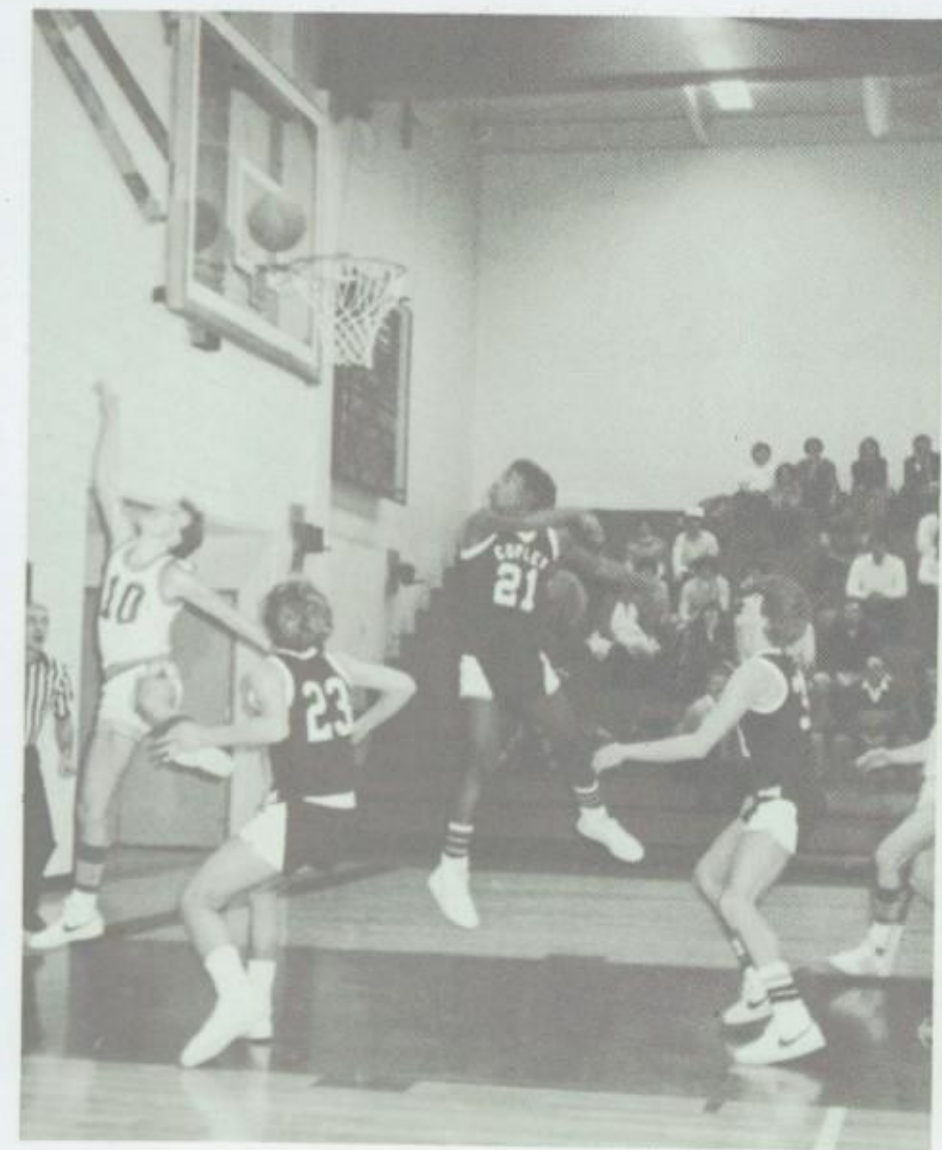

Before the 1981-82 season opened, not many people were expecting much from the Varsity Basketball team. Therefore, the accomplishments of this team were superb. Finishing with a 13 and 8 win-loss record overall, 8 and 6 in the league, the Minutemen were fourth in the Suburban League. Captain Rich Weidrick had an excellent season as top scorer of the team, averaging nearly 21 points per game, good enough to be the fourth leading scorer in the league. Rich was named to the All-Suburban and All-Summit teams and was a second team member of the All-District roster. Junior Scott Mabee made the All-Suburban second team, averaging 16 points per game. In tournament play, Revere narrowly lost to Barberton in the first round by a score of 51 to 50, after leading most of the game. Barberton went on to finish second in the state after slipping past Revere. Congratulations Minutemen on your outstanding efforts!!

Girls Improve Under New Coach

Although the girls' basketball team record was not as great as they had hoped, their record did not reflect the true effort that they made. Starting almost from scratch two years ago, the coaches did their best to mold a winning team. Though the team's record was not outstanding as a whole, there were several excellent individuals. Carin Crislip, who had the highest foul shot percentage of 64% was named to the second-team All-Suburban roster. Amy Weingart captured the most rebounds, with 73 offensive and 116 defensive. Amy was named the team's most valuable player. Nancy Phillips scored a team high 179 points and received an honorable mention with Christine Mioduszeski to the All-league team. Under the coaching of Richard Ryback and Captains Kristy West and Shelly Mount, the 1981-82 Girls' Basketball team had a fun season.

Wrestlers Give Their Best Shot

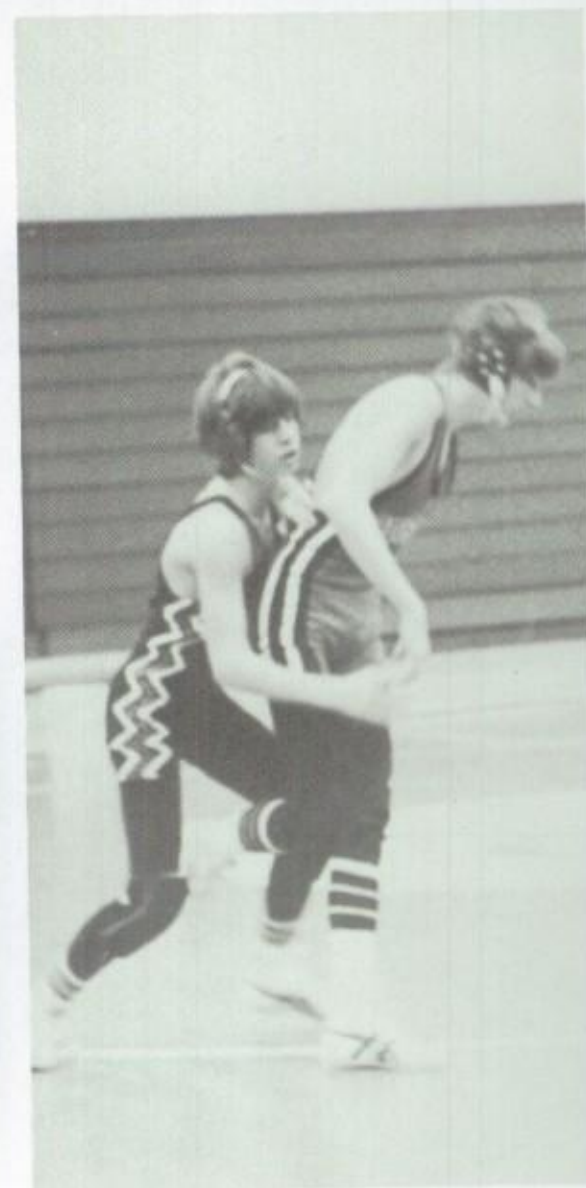

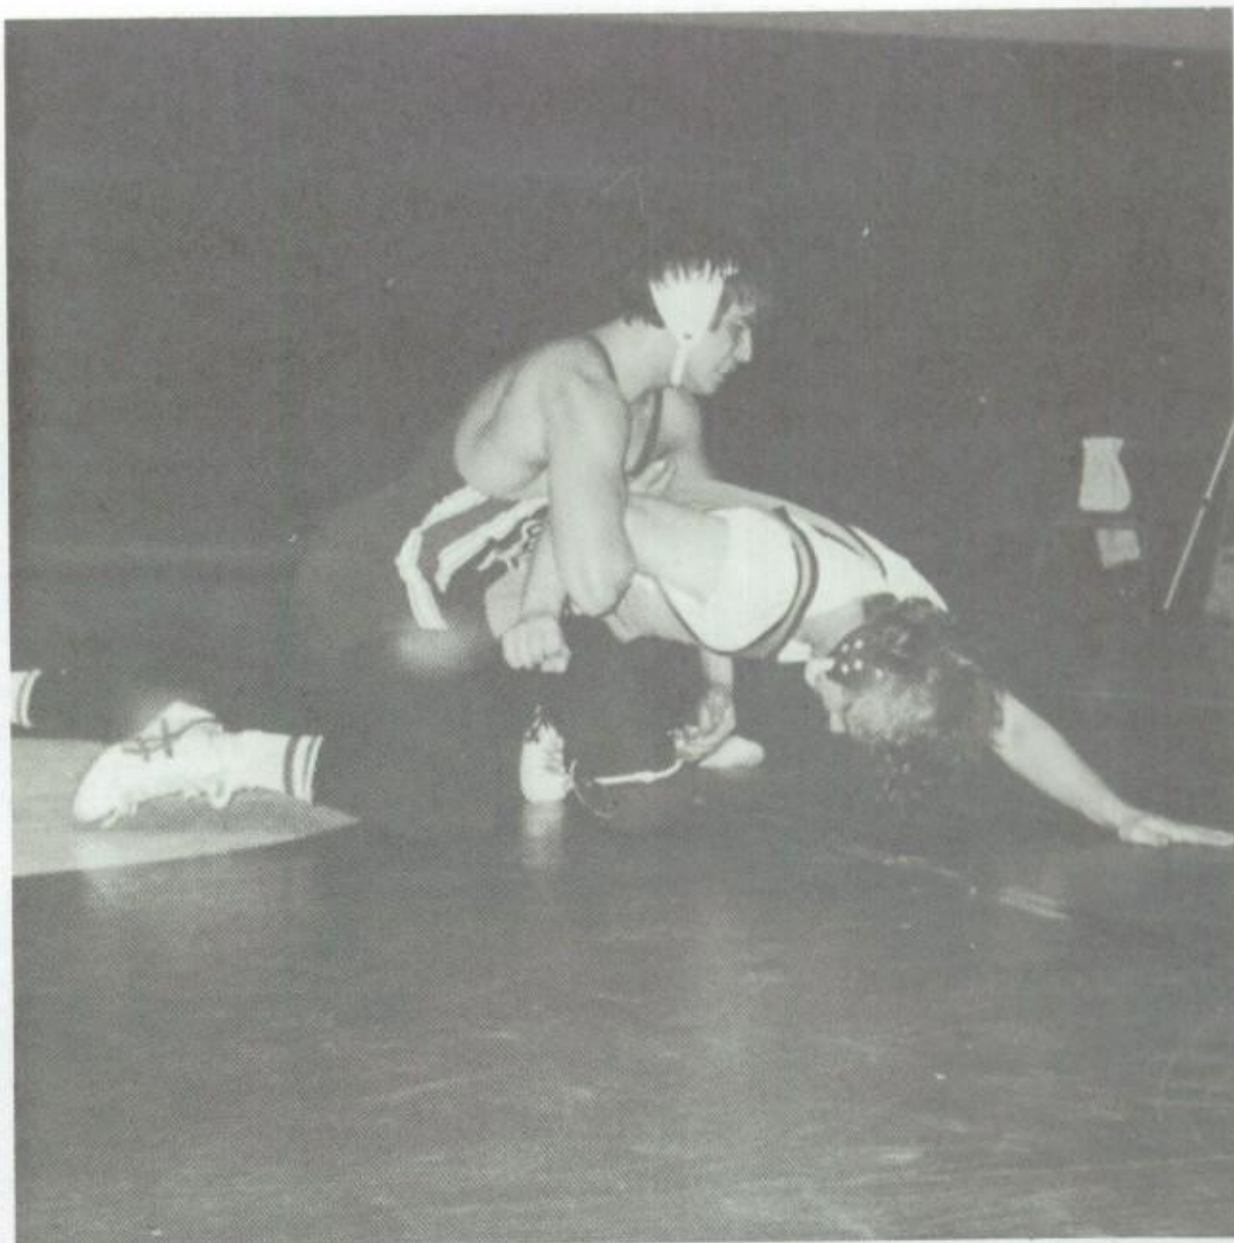

Despite excellent performances and strong efforts on the part of individuals, Revere's Varsity Wrestlers came up a little short of their goal in 1982. With an overall win-loss record of 4 and 6, 3 and 4 in the league, the team finished 5th in the Suburban League. Under the coaching of Mr. Ron Sabol, and assistants Marc Messaros and Phil Hatton, Revere finished fourth in the sectional tournament. Steve Steller and Chris Barren were captains of the Varsity team. Steve had the best season finishing 22-7, followed by Brian Gabel at 15-7, Tim Mattei at 16-8-1, Dale Nye at 17-10, and Mike Kermizis at 14-11. Tim Mattei had the most take downs with 30, Steve Steller the most pins with 12, and Dale Nye the most escapes and reversals with 47. Mike Kermizis was awarded the coaches' 110% award. The J.V. team put together a winning season thanks to the especially fine efforts of Ken Weeks and Robert Scavuzzo.

Gymnasts Flip To Success

Revere's 1981-82 Gymnastics Team had another successful year finishing with the respectable winning record of 7-5. The team was fortunate to find an excellent coach outside the school district - Emma Wells. At the end of the season, several awards were given to some of the outstanding gymnasts. The Most Dedicated Award was awarded to Amy Olinghouse, and Captain Marilyn Slaby received the Most Valuable Player Award.

Baseball Falls Short

This year, the Revere 1982 Baseball team fell somewhat short of their pre-season expectations. They finished the season with an overall record of 8-12, and a Suburban league record of 6-8. Although their team performance was not good enough for a Suburban league title, Revere was honored with having the most players named to the All-Suburban Team. Receiving the appointments were John Kovak, Ryan Lenington, Steve Magoline, and Dave Smith. Revere also gave out a number of awards. Andy Moats received the Pitcher's Award, John Kovak received the Coach's Award, John Vogel was named the Most Improved Player, and Ryan Lenington was named the Most Valuable Player.

Softball A Close Second

Finishing with an overall record of 12-9 and a league record of 8-6, the softball team was a close second to Green in the Suburban League. Carole Landis received the Most Valuable Player Award, Cindy Girton received the Coach's Award, and Traci Mockbee received the Most Improved Player Award. Named to the All Suburban Team were Carole Landis, Cindy Girton, Kim Garger, Traci Mockbee, and Ann Hendrickson; Diane Grinter and Carin Crislip received Honorable Mentions. The team was coached by Mr. Roy Bohlin.

Boys Find Love Means Nothing

The boys' tennis team finished another successful season this year with a record of 10-5. Some of their success was attributed to the arrival of their new coach, Walt Maynor.

Jeff Smith and Scott Thomas were co-captains of the team this year. The only fourth year award given out was to Jeff Smith. Third year awards were given to Paul Frankfurth, Chris Oseland, and Scott Thomas. John Consilio and Steve Cushing received second year awards. First year award recipients were Tim Busch, Dave Dahmer, Phu Doan, Mark Felix, Tom Merrill, Ron Steeg, and Kent Warburton. Jeff Smith also received the Most Valuable Player Award with Scott Thomas receiving the Coach's Award. Tim Busch received the Most Improved Player Award.

Many hours of hard work and dedication has paid off for the boys' tennis team which has completed another fine season. At the end of the season, the boys even left with a big "splash."

Left: As seen, Chris adds a certain amount of beauty and grace to the sport of tennis. **Below:** Silhouette of a tennis player.

Revere's Own Chariots Of Fire

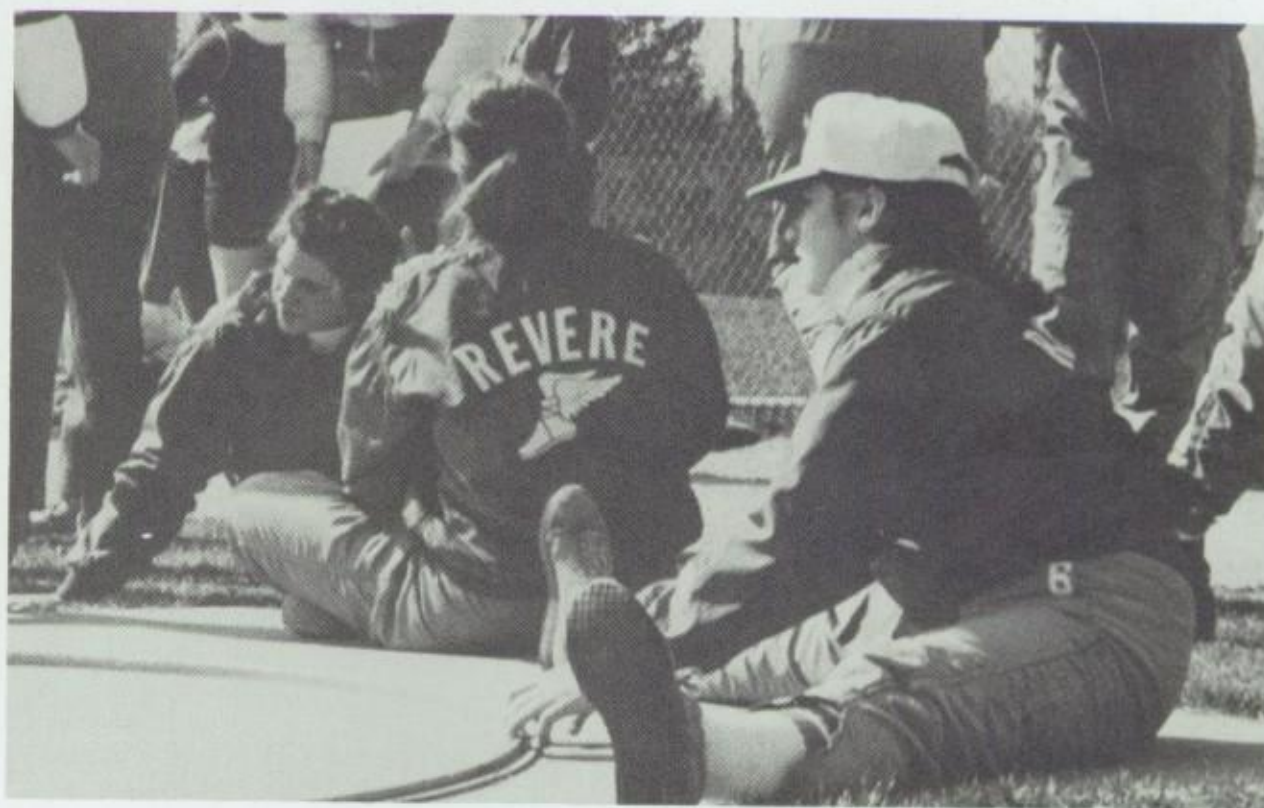

Both the Girls' and Boys' track teams had fine seasons this year. The Boys' Team, although their record did not show it, gained a great deal of good experience from all the hard work. The Girls' Team finished third in the Suburban League with a record of 7-2, behind first and second place winners, Hudson and Copley. Their only two losses of the season were to these two top schools. In addition, several school records were broken in the 440 relay, long jump, and shot put.

A Whole New Look

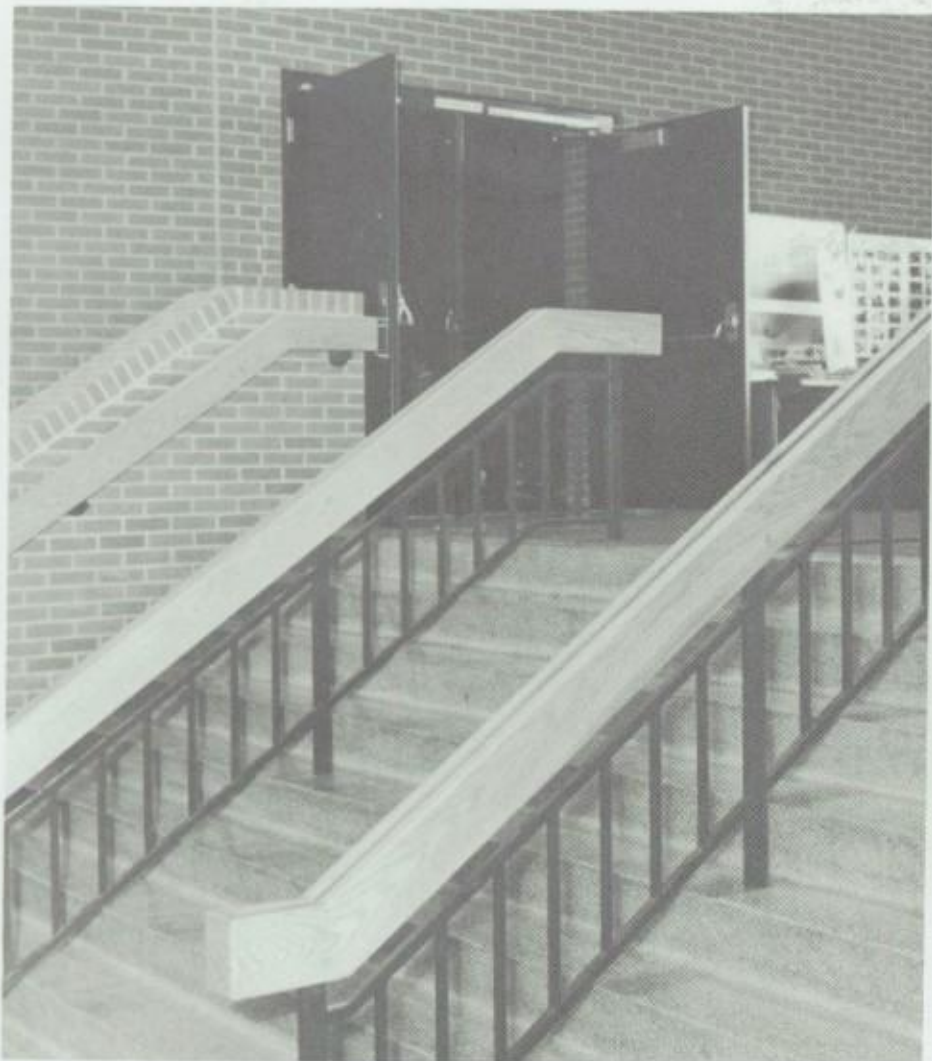

When the doors opened on September First, Revere students were greeted with a practically brand-new, and thoroughly confusing school building. The Gordon

Knapp memorial addition included a new auditorium and lobby, new locker rooms, and a new South entrance complete with its own brick circle. These additions, as well as

renovations of the science, art and business rooms gave the school a whole new look of which the Revere staff and students could be proud.

Grass skirts, cowboy hats, Indian feathers, t-shirts, filled the halls of Revere during spirit week '81. Spirit week also included a bonfire on Thursday night, and a pep assembly on Friday afternoon. Both these events boosted everyone's spirits. On Friday night, each class' float arrived, portraying the idea "Sail on to Victory". The results of the float-judging showed that the freshmen built the best float. Another winner on Friday night proved to be the 1981 Homecoming Queen, Andrea Royka. The football team's victory over Norton topped off a great evening. Spirit week concluded on Saturday night with a successful formal dance, sponsored by Student Council. An "Ocean Sunset" set the appropriate mood and all enjoyed themselves dancing and socializing. The week, as a whole, proved very successful.

Revere Does "Dinner" Theatre

Below: A tender moment in the "boy meets girl, boy loses girl, boy wins girl back" story. Right: Wake up! Wake up! I'm not finished yet!

Top: With Camay, 18 can be beautiful!
Bottom: "I don't suppose you have a sportier model?"

The Revere Thespians presented their first production in our new theatre this year, and it was a smashing success. "The Man Who Came to Dinner" brought many people to the new theatre even through a terrible winter blizzard. A sweet, young secretary, a dedicated reporter, a domineering old man, a conniving socialite—all filled the theatre with laughter and entertainment. It was a fine start in what is sure to be a long line of excellent productions in the new Revere theatre.

Winter

This year's A.F.S. winter formal fell on a frosty and snowy evening, matching perfectly the theme of the dance. The gym, which now looked more like a ballroom, had been magically transformed into a Winter Wonderland. Lamp posts illuminated the pathway to the dance floor which was surrounded by hundreds of twirling snowflakes. There could

les danced the night away to the mellow sounds of Surefire. An added attraction to this year's formal was Mistletoe Lane. A twinkling twelve foot Christmas tree completed the winter scene. Each couple received a personalized satin ornament as a reminder of the memorable occasion.

elow: While the band takes a break, these couples catch up on the latest gossip.

Above: Each couple is in a wonderland and all their own on the dance floor. Lower Right: "Look what I found!!!"

Oh My!

The hidden talents of Revere students were revealed in the annual variety show, "Music, Dancing, and Comedy . . . Oh My!". The musical performances ranged from rock bands to a Barbershop quartet, plus duet and solo singing with instrumental accompaniment. Providing the comedy was The Hilarious Houligans doing their renditions of various television shows and commercials, imitations of pop stars, and original funny skits. The dancing included tap, contemporary, and expressive, and was original in composition. Directing assistance was provided by Julie and Dave Lehman, and the show was performed for near capacity crowds both nights.

Below Left: Beth and Chad's "Last Duet" runs every show. Below Right: Don't forget the white wine! Above Left: The show is sponsored by Ronco's Handy Dandy Tool Kits.

Bedtime Stories

Revere's spring production of "Once Upon a Mattress" may have raised a few eyebrows when the title was announced, but nothing except laughter and applause were heard when the show was done. This musical take-off of "The Princess and the Pea" played with Beth Merrill and Bill Lester as the princess and prince, Carolyn Ovaitt and Chad Kayuha as the wicked queen and mute king, Vicki Garrett and Ed Matusik as Larken and Harry, the court's favorite couple, and Tracy Taylor, Marc Engdahl, and Randy Probert filling out the remaining leads. Under the leadership of Mrs. Frazier, Mrs. Lehman, and Mr. Welch, Thespians provided Revere with a marvelous show.

At Right, from left: Bill Lester, Esther Eckart, Lisa Lehky, Gloria Colonna, Heidi Butler, Kathy Whitt, Ticia Kayuha, Cassie Bain, Vicki Garrett, Marie Milano, Cindy Chapman, Kendra Hostetler, (Hidden, Michele Chapman, Kathy Knopp, Becca Karam), Najla Ghazi, Megan Stephens, Randy Probert, Geoff Clark, Marc Engdahl, Dave Metcalf, Bob Shambora, Mark Nelson, Dominic Pozzuto, Eric Moore, (Hidden: Chuck Bowyer)

The Junior Class was a unique class. There were many different types of people who made up the class of "83", and each type made the class special. There were the brains, the preppies, the punkers, the loners, the groupies, the jokers, the jocks, and some that we haven't figured out yet.

Despite our many cliques, niches, and groups, we united to survive one more year. We accomplished selling magazines, attempted a junior class party, and were the last to experience powder puff football.

The many different talents of the Juniors were a big success and the class has many more achievements to look forward to, as Seniors.

Water flowing has far to go;
streams never cease, continuing to flow
into brooks silent, forever gushing
merrily into rivers wide;
sparkling, crystal; gurgling on to ocean tide.
Translucent water, shining majestically,
roaring as it pounds into the shore;
bursting forth with vibrant force,
realizing its purpose all the more.

Thursday's Child, too, has far to go.
Setting out as from the stream,
life's very source.
Silent at first,
then bursting merrily on with zealous force.
From babe into child, continuing to flow.
Cascading forth triumphantly,
with dreams to chase; rainbows to follow.
Achieving goals impossible.
Carrying them like medals, oh so proudly.
Rushing into adulthood, roaring loudly.
Perceiving at eighteen life's complex sphere.
Finally, the purpose becoming crystal clear.

Like water.

Friday

Everyone needs a helping hand.

Friday . . . it's finally come. It's the day we've all waited for since the earliest lights of Monday morning. A lot of things have happened since our beginning—both good and bad. But the good have outweighed the bad and we've made it. This day is ours to do with what we please. To smile, to frown, to laugh, to cry, to fear, to cherish, to love, to hate, to be mature, to be a child, to do what we want to do, to be what we want to be—to live. Friday's ours to enjoy—for today, for tomorrow, forever.

New Rules For 82

Foot loose and fancy free! that usually describes the actions of the senior class. This year the graduating class of '82 struggled to uphold that image despite the ankle weights that were clamped on in September. The school year had many new additions other than the building's renovations. With them came the mind boggling "Standards of Procedures". Walking through the doors, students were welcomed with a student "Bible" listing rules that were law. Early dismissal was for seniors only . . . but only for the last period, and parking was for seniors only . . . but only in the south lot. Having the senior locker area practi-

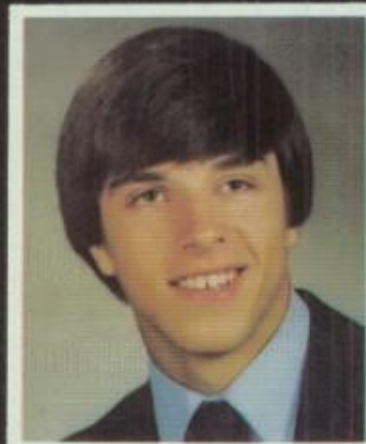

cally in the parking lot created a definite problem with being late to class. Even the best sprinter on the track team fell prey to the familiar white slip marked "Detention". Internal suspensions also had their reign of terror. The senior class found it a challenge to live with the new regulations despite their stringency. They managed to pull off a few senior pranks like stringing the school, the Acme Snow Moving project, and painting an '82 in the parking lot. After three years of observation we made it to the top. Let's hope we've set a good example for the underclassmen—the seniors of the future.

Apply Yourself

SAT's ACT's—it seems that the first few months of our senior year were only a blur of initials. With the joys of being a senior came the responsibility of planning for the future. If the decision was college, the next step was filling out those dreaded applications, and with high hopes, we sent away for them—unaware of the trauma to come. At first it was exciting to get them, but the thrill vanished as we paged through them. Dread soon set in as we learned the requirements, and we were forced to sign up for the next test date. Those Saturday mornings always arrived too quickly, but armed with our school number, ID, and two #2 pencils, we ventured into Akron. After three hours of rigorous testing came three even more strenuous weeks of awaiting the results. But once the testing was over, essays had to be written. Some questions were very specific; others all too general. Following hours of putting it off, we churned out a first copy. Eventually, the final copy was written, the recommendations were made, and you mailed the applications. What followed for most were long weeks of waiting with many anxious afternoons spent next to the mailbox as the notification date drew near. Eventually, we all decided on what to do and probably forgot what we all went through. But then who could ever really forget those exciting SAT reading passages like "The Sex Life of the Ant", or all-time favorite essay questions like "What could you contribute to the University?" We may not ever forget—but we'll sure try.

Working Again

We wanted to get a job but we didn't have any previous experience. How could we get experience unless someone would let us have a job? For some of us the answer just wasn't the Army, Navy, Air Force, or Marines. So one day after school or bright and early one Saturday morning we would trudge off in search of our All-American Dream of getting a job and making money. Somehow the dream diminished after the ninth application and the line "Don't call us, we'll call you." Finally, though, our efforts paid off and we found ourselves with a job at such places as McDonald's, Burger King, Woolworths, Constantines, or The Limited. Most salaries started at \$3.35, with a few of us occasionally receiving a well-deserved raise. In spite of the low wages, long hours, greasy french fries, and irritating customers, a job was most beneficial. It was our first exposure to the working world, increased our independence, and taught us to budget our time. The money didn't hurt either!!

“Blow-Off” Classes

Throughout their life at Revere, the seniors managed to maintain a beneficial tradition. The senior class spared their intelligence to uphold this tradition. At the end of their junior year, they willingly filled their schedules with “blow off” classes and study halls. The “blow-off” classes consisted of marriage, psychology, nutrition and many others. These well-liked classes required a great deal of effort and patience to get through. Endless hours of studying and mind-boggling lectures accompanied the classes. The classes also caused some strange things to happen throughout the school. Many seniors suddenly had babies and brought them to school. Some of the babies resembled dolls, while others resembled eggs. Some seniors wore signs

around their necks. If anyone said something to upset them, they would rip part of their signs off. Others wore blindfolds and walked around as if they had become blind. Everyone noticed the good smells throughout the school. Once again, the seniors took credit for it. People found it weird when they heard that these seniors had made a turkey dinner for lunch one day!

While many seniors took specific “blow-off” classes, many classes became “blow-off” classes. This was caused by a common senior disease—senioritis. They began to daydream in class and found shortcuts for their homework. It’s a disease that comes but once—and we certainly kept the tradition in style!

Vacations

When 2:30 had finally arrived on the last day before vacation, whether it was Spring, Winter, or Summer, it was hard to wait until we could put our books aside and take off for our much deserved break. The new faces, atmosphere, and climate would do us good, but where would we go?

Many seniors, with friends or family, headed for the South during Winter and especially Spring break. Florida and South Carolina seemed to be the favorite vacationing spots. Regular travelers to Florida during Spring break were Linda Clark, John Jesser, Paul Troike, Rick Emich, Karyn Jackson, and Chris Newman. South Carolina was the favorite spot for Diane Grinter, Tracy Hieber, and Michelle Marts. Some seniors stayed closer to home for their vacations. Cindy Chapman's ideal vacationing spot was Virginia while John Kovak thought of going nowhere else but Pennsylvania. The eastern states attracted a few seniors also. Megan Galloway would think of no better place to shop for clothes than Maine and Massachusetts. The Midwest and western states were favorite spots for Rob and Rich Millisor—Colorado, Reba Christman—Montana, Karen Hofer—Nevada, and Torie Topougis—Arizona. Then there were the crazy people who wanted to go to Alaska. Diane Struglinski and Laurie Weingart were such people.

But wherever the seniors of '82 were during the year, from Maine to California, they carried the spirit of their class.

So now it's finally over. The Class of '82 is out in the real world. We've been through four great years together, building an excellent reputation as a class and as individuals. We have a right to be proud. Graduation was like the culmination of a

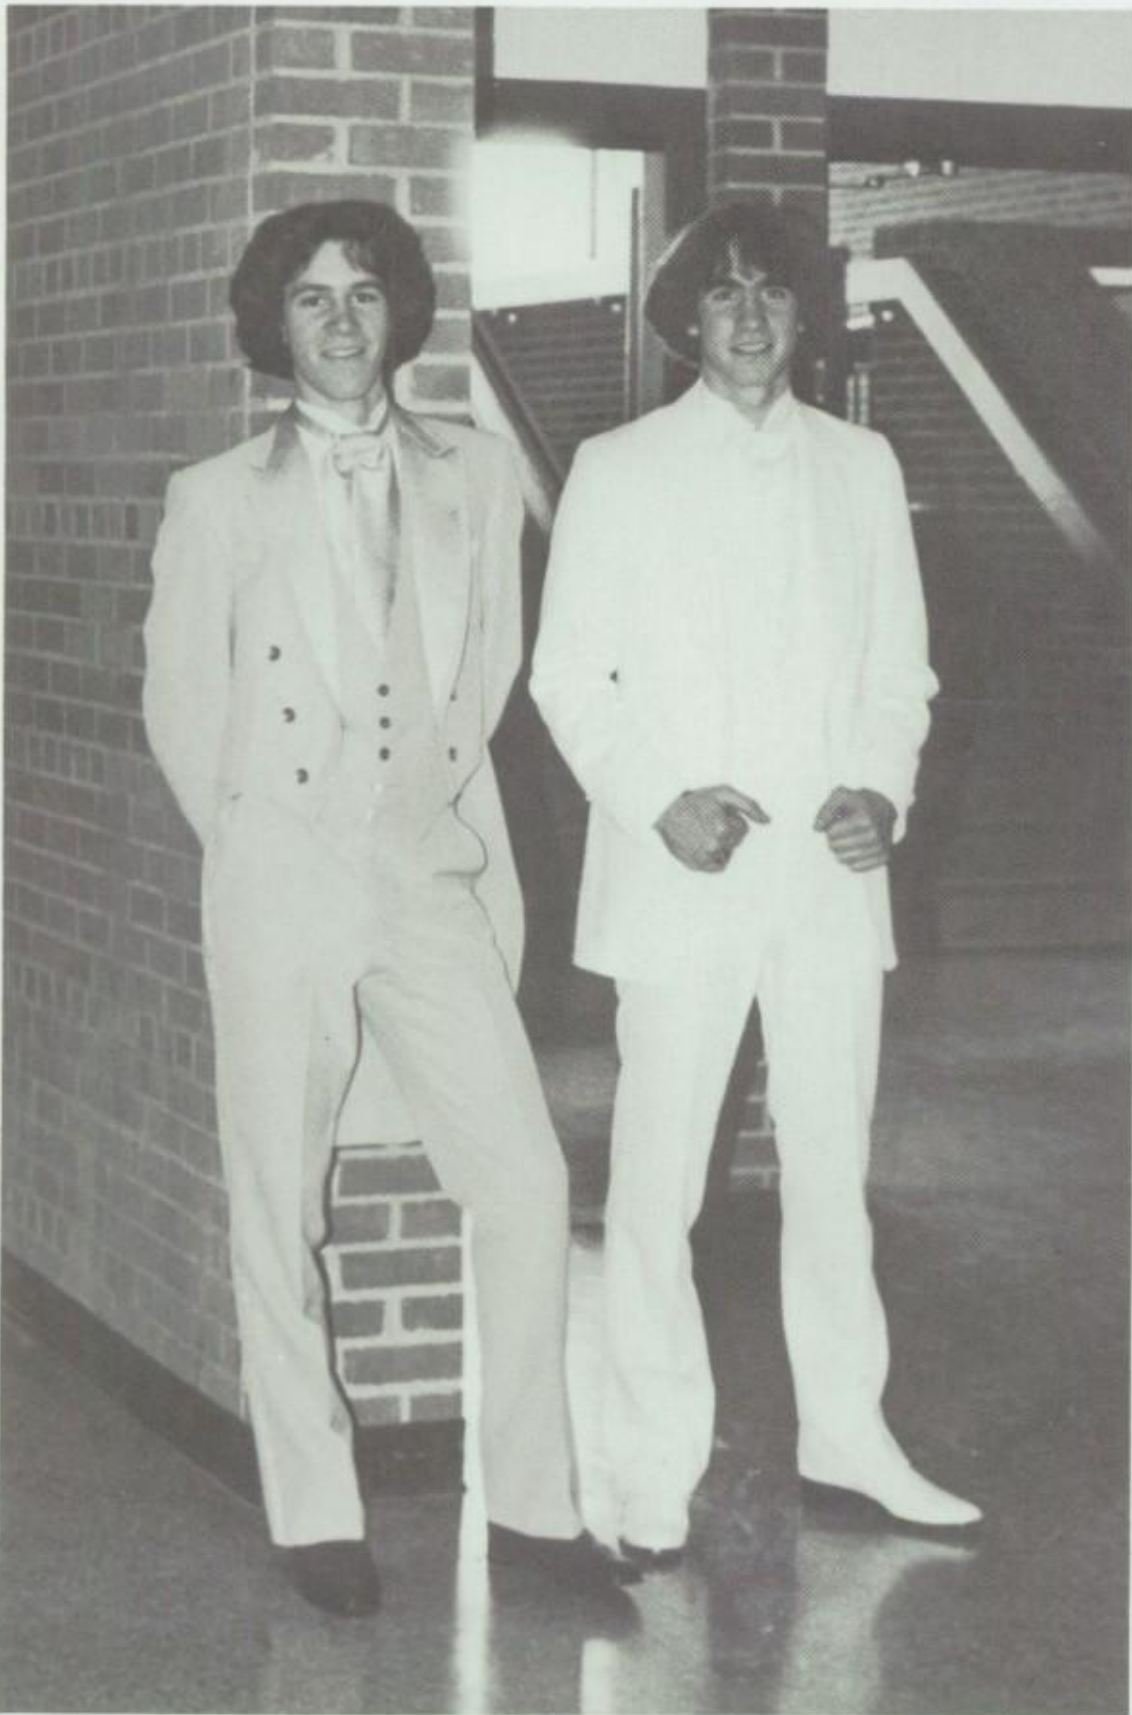

hectic week. We want Friday to come, to move on to something better than the present. But every day, like every year, is great. The key is, with the experience of the past and the hope for the future, to live each day for today.

Awards Assembly

The Awards Assembly, held for the first time in the auditorium, proved to be very successful this year. Juniors and seniors as well as invited parents of the awardees nearly filled the seats, with Student Council and Senior Class officers along with the senior members of NHS sitting on the stage. Many new awards were added including departmental awards for freshmen, sophomores, and juniors, and leadership and activity awards given by Student Council. Many thanks go to the administration without whose time and effort such a successful day would not have been possible.

Our terrific quality, low prices,
and fast service
make us tops in the "fast food
business". Try us
and see why people keep coming
back!

It's time you gave us a talking-to.

Congratulations to the graduates. And now we think it's time to sit down for a chat...with you doing the talking.

At The Firestone Bank, we'd like to know about your plans for the future...college or a job. In either case, we can advise you on how to make the coming years more pleasant by starting a banking program designed just for you.

You're invited to stop in at any of our convenient banking centers and talk with one of our people. You see, we understand young people's needs...because we listen...and we listen hard.

The Firestone Bank

The good listeners.
